The FAMU Rattler Boosters Need You To Connect And Stay Connected!

Memberships are the “center-piece” of the FAMU Rattler Boosters’ strategy to change the face of FAMU Athletics. You, registering as a member or your renewal of annual booster membership, speak volumes about your commitment to the future legacy of FAMU. Memberships make the future of FAMU Athletics happen not as a dream but bring the dream to reality. Our goal through memberships, is to connect with committed FAMUans who register and stay connected with us and commit to annual memberships.
